EDUCATION

B.Tech in Computer Science and Engineering

2023 - 2027

Maharishi Markandeshwar Deemed University (MMDU)

CGPA: 7.88/10 (up to 5th Semester)

Greenway Modern School, Roorkee

Class XII(2022): 74.8% | Class X(2020): 93.4%

SKILLS

Technical Skills Python, Java, SQL, Django, REST APIs, Android Studio, PostgreSQL
Machine Learning Fundamentals, NLP Integration, GitHub, AWS, Render

Other Skills Solution Planning, Communication, Team Collaboration

EXPERIENCE

Machine Learning Intern

Summer 2025

Smarter Innovations (Remote)

- Developed a customer churn prediction system using Logistic Regression and Scikit-learn.
- Designed REST APIs, handled backend workflows, and deployed the application using Docker and Render.

PROJECTS

ADAPT – Adaptive Assistance Platform

Developed ADAPT, a centralized caretaker assistance platform to streamline patient care management and improve caregiver accessibility across web and mobile devices. Built scalable backend workflows using Django and PostgreSQL, integrated Gemini-powered AI assistance for contextual healthcare support, and deployed the application on Render.

SAIGE – Recipe Recommendation System

Developed a machine learning-powered web application for ingredient-based recipe recommendations using Django, PostgreSQL, and Scikit-learn. Designed recommendation pipelines and integrated NLP-based AI APIs for contextual query handling and intelligent recipe interaction.

Customer Churn Prediction API

Built a Customer churn prediction API using Flask, Logistic Regression, and Scikit-learn with preprocessing and model evaluation workflows. Also developed a front-end using HTML, CSS, and JavaScript for prediction visualization and deployed services using Docker and Render.

SysPulse – Mobile Sensor and Health Monitoring App

Developed an Android application using Java and Android Studio to monitor CPU usage, memory statistics, sensors, and system health while exploring hardware-level interactions, visualizing sensors functionality and generate mobile diagnostics report.

CERTIFICATIONS

- Salesforce Trailhead Champion and Innovator Badge
- Infosys Springboard - Agile Scrum in Practice
- ServiceNow CSA (In Progress)
- ServiceNow CAD (In Progress)
